

Whether you make it fancy or plain, this wonderful little dress can be created in three lengths!

1. Stamp template on the reverse side of decorative paper.
2. Choose desired hem-length, then cut along outside lines.
3. Score and fold skirt along gore lines.
4. Adhere bodice to skirt.
5. Embellish as desired.

Detailed instructions included with stamps.

Basic dress in middle length.

Time is a dressmaker specializing in alterations.
