All prices subject to change without notice.

In March 2007, smARTworks happily acquired a variety of images from the no longer in existence, Angi-B & Company.

Displayed within the following section of the smARTalog, these images are identified by the "ABC" prefix in their item codes.

Although smARTworks owns the rubber stamp manufacturing rights, Angi-B retains the original copyrights.

Angel Policy for "ABC" images:

"You are encouraged to use Angi-B stamps to make cards and sell them in reasonable quantities provided that each card (or item) is hand stamped and not mechanically reproduced."
